

Warranty Policy and Disclaimer Statement – FlashPoint ShareDrive

Xmultiple Technologies Comprehensive Product Warranty and Disclaimer
X404-65

Warranty Period (from date of original purchase by end-user) - 90 Day Warranty
Products include: FlashPoint ShareDrives, FlashPoint ShareCard, FlashPoint ShareDrive MP3 Players.

FlashPoint ShareDrives are warranted to be free of defects in materials and workmanship and to function in accordance with manufacturer's specifications for the "Warranty Period" shown above. This warranty extends only to the original end purchaser (the first end user to purchase new, unused product from a reseller who in turn has purchased the product directly from Xmultiple Technologies ("XMULTIPLE") or one of XMULTIPLE's authorized distributors). Please retain your original purchase receipt; we may require a copy as part of our warranty verification.

No warranty or liability exists for loss of any data or for software, nor for damage to computer hardware, caused during or after installation of the product.

No warranty or guarantee of any kind shall exist for repair, replacement or refund of any item damaged directly or indirectly as a result of installation or use of the product. Acceptance of this product constitutes purchaser's agreement that XMULTIPLE's sole obligation under this warranty shall be repair or replacement of the product or refund of the full original purchase price, at XMULTIPLE's option. Under no circumstances whatsoever will more than the full original purchase price of the product be deemed payable, regardless of the circumstances causing the claim.

No warranty exists for damage or destruction of a willful nature, caused deliberately by any person or arising from use of the product for anything other than its intended use by the manufacturer and/or distributor. No warranty exists for repairs of any damages caused by natural disasters, terrorism or acts of God, including electrical surges or static electricity emissions. No warranty exists for damages resulting from modifications made to the product by any unauthorized person.

Product Returns: You must obtain an RMA number before returning product to XMULTIPLE, and that number must be clearly marked on the outside of your package or it will be refused for security reasons. Use a shipping method requiring our signature, for your protection, and pack the product securely. Do NOT use a standard envelope, as postal mailing machines will frequently damage the FlashPoint ShareDrive, FlashPoint ShareDrive Accessory or other Xmultiple product you are returning.

For assistance contact (toll-free, USA) 1-800-753-9526 or (outside USA) 886-2-26582298. To register file out the form below and fax to 805-579-7800, go to www.sharedrives.com/fregister.htm.
